2023 will mark the 70th birthday of the Rover Sports Register which will be celebrated in style. Over the weekend of 9th – 11th June 2023 the RSR Platinum Anniversary Rally will be held at the Abbey Hotel in Malvern, Worcestershire and Shelsley Walsh Hill Climb

The event is open to members and non-members. Participants can book for for the full three days or pick individual activities of their choice. The weekend will start with arrival at the Abbey Hotel where RSR members will be on hand to welcome you and help you with any questions you may have about the weekend. There is an informal meal at the Abbey Hotel on the Friday evening.

Saturday you are either free to do your own thing or better still join us for some fabulous planned activities. These will include a trip to the Morgan Factory in Malvern, classic car road runs though the scenic Malvern Hills, taking in Elgar's birth-places. Plenty of opportunities to stop for refreshments and take in landscapes that inspired Tolkein and C.S. Lewis on the way. Saturday will be rounded off in the evening with a gala dinner at the Abbey Hotel in Malvern.

The rally on Sunday will be at Shelsley Walsh Hill Climb, a 16 mile/30 minute drive from the Abbey Hotel. A full day of events are planned on the Sunday to round off a weekend celebrating all things Rover, classic motoring and just enjoying the beautiful surroundings of the Malvern hills.

The Rover Sports Register has arranged for the Midlands Motor Sport Club to operate the hill for those of you who want to take your car up the oldest motor sport venue in the UK.
